

Early Years Pupil Premium 2015/16

The Early Years Pupil Premium provides an extra 53 pence per hour for three and four year old children whose parents are in receipt of certain benefits or who were formerly in local authority care but who left care because they were adopted or were subject to a special guardianship or child arrangements order. This means an extra £302 a year for each child taking up the full 570 hours funded entitlement to early education. This additional money could make a significant difference to us.

We can use the extra funding in any way we choose to improve the quality of the early years education that we provide for your child. This could include, for example, additional training for our staff on early language, investing in partnership working with our colleagues in the area to further our expertise or supporting our staff in working on specialised areas such as speech and language.

It is well documented that high quality early education can influence how well a child does at both primary and secondary school so we do want to make the most of this additional funding. You may be aware if you have older children that a pupil premium has been available for school-age children and it has proved to have given a real boost to the children receiving the funding. We want to do the same for our early years children entitled to this funding.

We as a school in a disadvantaged area have encouraged all families to submit a form to us so that we can check their child's eligibility.

Number of pupils and EYFS Pupil Premium Eligibility		
Total number of pupils eligible for EYFS PP varies from term to term		
Amount of EYFS PP received per pupil		£1,270
Actual total amount of EYFS PP received		£1,270
